DANNY SEMMES

Chief of Police

November 13, 2019

The City of Jennings Police Department closed the jail in the beginning of 2015 and have no records of there ever being any incarceration deaths.

The Records Clerk that handled jail reports and would know if a CJ-9 was sent in for the jail in 2014, passed away in February of 2019. The former employees of the jail are no longer accessible.

Sincerely,

A handwritten signature in blue ink, appearing to read 'ADS', is written over the signature line.
