

# MORGAN CITY JAIL

## **1. Death Trends Since 2014:**

1. Only one death reported between 2014 and 2022, which occurred in 2015.
2. No significant trends in death demographics due to the small number of deaths.

## **2. Jail Characteristics:**

1. Average daily inmate population: 61, with a capacity of 107 (undercapacity of 40%).
2. Staff: Approximately 10 full-time employees, with a racial composition of six African American and four Caucasian employees.
3. Majority of inmates are male (87.80%), with a diverse ethnic composition.
4. Inmates' age groups predominantly between 25-40 years.

## **3. Leadership:**

1. Supervised by a Jail Supervisor, an Assistant Jail Supervisor, and eight Correctional Officers.
2. Chief of Police since 2022: Chad M. Adams, with a long history of service in various roles since 1996.

## **4. Annual Budget/Financing:**

1. Specific budget details for 2023 not available.
2. COVID-19 impacted city revenue, including jail operations and inmate population.

## **5. Jail Location and Demographics:**

1. Located in Morgan City, Louisiana, with a predominantly urban population.
2. The city experienced a 6.5% population decrease since the 2020 census, with significant socioeconomic challenges.
