- If this facility is required to be PREA compliant due to contract language, and has not done so, what is their plan of action for compliance?

Note: All questioned during the walk through stated that they received PREA information from the facility and they all knew how to report an allegation.

OTHER:

STAFF COMMENTS/MORALE/GENERAL OBSERVATIONS:

Because this facility is relatively small, staff members assist each other so that the operation runs smoothly. Initial and ongoing training of personnel is completed in accordance with policy and documentation is in the file. All staff members questioned during the walkthrough inspection were knowledgeable regarding policy and procedure. The staff morale was excellent and no one expressed any concerns.

OFFENDER COMMENTS/MORALE/QUALITY OF LIFE:

Offenders incarcerated at this facility appear to be polite and well mannered. Offender/staff interactions observed were respectful toward each other. I spoke with several offenders during the walkthrough inspection and none of them expressed any negative comments about their conditions of confinement or the food served; in fact they all stated the food was great and they wanted to complete their time at this facility.

RECOMMENDATION:

This facility consistently operates smoothly and efficiently, while remaining in compliance with the Basic Jail Guidelines. The level of dedication and professionalism of the staff members is exceptional. Based on the walkthrough of the facility and the review of the Basic Jail Guidelines, a full recertification with continued annual monitoring is recommended at this time.

I-C-001 Emergency Plan (MANDATORY)

There is a written plan, submitted to the Secretary of DPS&C, that specify the procedures to be followed in situations that threaten facility security. Such situations include but are not limited to riots, hunger strikes, disturbances, taking of hostages, and natural or man-made disasters. These plans are made available to all applicable personnel and are reviewed annually and updated as needed. All facility personnel are trained annually in the implementation of the emergency plan.

An evacuation plan is used in the event of fire or major emergency. The plan is approved by the state fire marshal, reviewed annually, and updated, if necessary. There are written procedures for significant unusual occurrences or facility emergencies including but not limited to natural or man-made disasters; major disturbances such as riots, hostage situations, escapes, fires, deaths, serious illness or injury and assaults or other acts of violence. Such procedures include the reporting of these incidents to the DPS&C, OAS, telephone 800-803-8748 during normal business hours or the control center at EHCC, telephone 800-842-4399 after hours, when they involve DPS&C offenders. In addition, the facility shall follow the incident reporting procedures as outlined in Dept. Reg. AM-I-4, "Activity Reports, UORs," Category A, B and C.

Visual Inspection: training records, facility logs, documentation of approval of plan, documentation of annual review, documentation of staff receipt, training on the plan

NOTICE RS 40:31.38 (ACT 66)

RS 40:31.38 (ACT 66) authorizes the Louisiana Department of Health to charge a fee of \$150 to any permitted facility that fails to correct the necessary sanitary code violations to be in compliance at the time of its follow up inspection (1st re-inspection). Re-inspections are required when there are five or more uncorrected non-critical violations and/or one or more uncorrected critical violations remaining at the conclusion of an inspection. The fee is only charged if the necessary violations are not corrected before the 2nd re-inspection and other subsequent re-inspections. Facilities can avoid this fee if the violations noted on the routine inspection report are corrected by, or during, the follow up inspection. If a fee is assessed, the \$150 fee is payable within 30 days' notice, and failure to pay shall result in revocation of the permit.
