IV-C-003 Provision of Treatment (MANDATORY) The facility has a designated health authority responsible for health care services. Requests for health services are triaged by health trained persons to ensure that needs are addressed in a timely manner in accordance with the severity of the illness. Written policy, procedure and practice provide that anyone who provides health care services to offenders be licensed, registered or certified as appropriate to their respective professional disciplines. Such personnel shall only practice as authorized by their license, registration or certification. Standing orders are used in the treatment of offenders only when authorized in writing by a physician or dentist. (Standing orders are used in the treatment of identified conditions and for the on-sight emergency treatment of an offender.)	Compliant- The designated health authority for the facility is Dr. Elliott. All documentation included supports policy.	
Visual Inspection: documentation of health authority designation, contract, billing records, sick call request form, a health record, clinical provider schedules, current credentials/licensure		
IV-C-004 Personnel Qualifications/Credentials Correctional or other personnel who do not have health care licenses may only provide limited health care services as authorized by the responsible health care authority and in accordance with appropriate training. This would typically involve the administration of medication, the following of standing orders as authorized by the responsible health care authority and the administration of first aid/CPR in accordance with POST training. Written policy, procedure and practice approved by the health authority require dispensing and administering prescribed medications by qualified personnel.	Compliant- Copies of license are kept on file for those medical personnel.	
Visual Inspection: health records, completed medication administration form, personnel records, copies of current credentials or licensure, documentation of compliance with standing orders, health record entries, staff training records		
IV-C-005 24 Hour Care (MANDATORY) Written policy, procedure, and practice ensure that offenders have access to 24-hour emergency medical, dental, and mental health services, including on-site first aid, basic life support, and transfer to community based services. This requirement may be met by agreement with a local state hospital, a local private hospital, on-call qualified health care personnel (see IV-C-003), or on-duty qualified health care personnel. Decisions regarding access to emergency medical services shall not be the sole province of correctional or other non-health personnel except in accordance with IV-C-004.	Compliant- The offenders have access to care 24 hours daily. In the event the level of care is beyond the scope of services the facility can provide then the offender is taken to the local hospital for treatment.

IV-C-006 Health Screens Written policy, procedure and practice require that all DPS&C offenders receive a health screening by health trained or qualified health care personnel upon intake into the facility unless there is documentation of a health screening within the previous 90 days. Screening is conducted in accordance with protocols established by the health authority. If completed by health trained personnel, all intake health screens are to be reviewed by health care personnel as soon as possible. If a facility uses a different screening form, it shall be required to have at a minimum the questions in the Intake Health Care Screening form (IV-C-006-A) provided by DPS&C. The purpose of the health screening is to protect newly admitted offenders who pose a health safety threat to themselves or others from not receiving adequate medical attention. This should include inquiry into: 1. Current medical, dental or behavioral health problems and communicable diseases; 2. Current treatment plan; 3. Current medications, including psychotropic; 4. History of hospitalization; 5. Suicidal risk assessment; 6. Use of alcohol or other drugs including need for possible detoxification; 7. Possibility of pregnancy; 8. Observation of the following: a. Appearance and behavior; b. Body deformities and other physical abnormalities; c. Ease of movement; d. Current physical traumas or characteristics and a determination of whether or not the offender should be recommended for immediate transfer to the DS&C for appropriate care; e. Any physical impairment (hearing, vision, mobility) or other disability which would impede the offender's access to programs or services. Offenders identified with such an impairment or disability shall be transferred to the DPS&C for further evaluation and determination of appropriate housing placement. [Reference 2008 Resolution Agreement: US DOJ and LA DPS&C.] 9. Current health insurance.	Compliant- Offenders receive health screening upon intake into the facility.	
IV-C-006-1 Pregnancy Management (MANDATORY) Written policy, procedure and practice require that all pregnant offenders have access to obstetrical services by a qualified provider, including prenatal, peripartum, and postpartum care. The local jail facility shall notify the Department's Medical Director when a DPS&C offender is pregnant to ensure proper placement in a DPS&C facility including transfer if necessary.	Compliant- facility has a policy in place. No pregnant females housed at the facility at this time.

IV-C-007 Communicable Disease and Infection Control Program Communicable diseases are managed in accordance with a written plan approved by the health authority in consultation with local public health officials. The plan includes for the screening, surveillance, treatment, containment, and reporting of infectious diseases. The plan shall comprise of testing to detect communicable diseases, including TB testing, HIV testing, and HCV testing within 14 days of arrival at the facility. If there is documented evidence of TB, HIV, or HCV testing within the last 12 months, new testing is not required. Qualified health care staff will evaluate for signs and symptoms of TB. Infection control measures include the availability of personal protective equipment for staff and hand hygiene promotion throughout the facility. Procedures for handling biohazardous waste and decontaminating medical and dental equipment must comply with applicable local, state, and federal regulations. Visual Inspection: health records, clinic visit logs, documentation of waste pic up and/or cleaning logs	Compliant- Offenders are screened during the intake process for medical conditions. TB testing is done during intake. Facility has contract for handling medical or biohazard waste.	
IV-C-008 Annual TB Testing Written policy, procedure and practice require annual testing or medical evaluation for signs and/or symptoms of tuberculosis on all offenders. Annual TB testing will be provided at no cost to the offender. The facility's designated health care authority shall contact the DPS&C Medical Director, telephone number 225-342-1320, when an offender's test for medical signs and/or symptoms of tuberculosis is reported positive. The DPS&C Medical Director will determine if the offender requires physician or mid-level evaluation, based on the reported positive signs or symptoms.	Compliant- TB testing is done upon intake and annually thereafter.	
Visual Inspection: health records		
IV-C-009 Chronic Care Program (MANDATORY) At a minimum, offenders with the chronic conditions, diabetes, hypertension, congestive heart failure, asthma, HIV, seizures, conditions requiring Coumadin therapy, or mental illness receive periodic evaluations by a qualified health care provider in accordance with individual chronic care plans. For offenders whose chronic disease cannot be reasonably managed by the local jail facility, a Medical/Mental Health Transfer Request for DOC Offenders at Local Facilities Form JO-1-b shall be completed and email to DOC Headquarters Medical Department at HQ-Medical-MentalHealthtransfers@la.gov. The intake screening form and any other supporting documentation shall also be included when requesting transfers.	Compliant- health records and treatment plans are done on offenders by health care provider.

IV-C-012 Access to Sick Call (MANDATORY) There is a process for all offenders to initiate requests for health services on a daily basis. Written policy, procedure and practice require that sick call is conducted by a physician and/or other qualified health care personnel who are licensed, registered or certified as appropriate to their respective professional discipline and who practice only as authorized by their license, registration or certification. Sick call shall be available to all offenders as follows: •Facilities with fewer than 100 offenders - 1 time per week; •Facilities with 100 to 300 offenders - 3 times per week; •Facilities with more than 300 offenders - 4 times per week. If an offender's custody status precludes attendance at sick call, then arrangements shall be made to provide such services in the place of the offender's detention. Visual Inspection: written policy and procedure	Compliant- Sick call is available daily. Offenders that request sick call are seen by the nurse on duty.	
IV-C-013 Infirmary Care If infirmary care is provided onsite, it complies with applicable state regulations and local licensing requirements. Provisions include 24-hour emergency on-call consultation with a physician, dentist and behavioral health professional. Written policy, procedure and practice provide that any offender who is identified as requiring a medical, dental, or behavioral health need for which care is not readily available from the local facility shall be immediately transferred to DPS&C. It is particularly important that smaller facilities recognize the commitment of the DPS&C to accept into their custody any DPS&C offender whose condition is problematic. Visual Inspection: admission or inpatient records, staffing schedule, completed form C-05-004-B	on call for after hours.	
IV-C-013-1 Medical Releases (Medical Parole, Medical Treatment Furlough, Compassionate Release) Any offender sentenced to DPS&C custody that meets the medical criteria to be released on Medical Parole, Medical Treatment Furlough or Compassionate Release may be considered after submission of the required documentation in accordance with the corresponding Department Regulation to the DPS&C's Chief Nursing Officer via email to HQ-Medical-MentalHealthTransfers@la.gov or by fax to 225-342-1329. IV-C-014 Suicide Prevention and Intervention (MANDATORY) There is a written suicide prevention and intervention program that is approved by a behavioral health professional who meets the educational and license/certification criteria specified by his/her respective professional discipline. The program must include specific procedures for handling intake, screening, identifying and continually supervising the suicide-prone offender. All suicide attempts and completions will be reported to the Mental Health Director of DPS&C at mentalhealth@doc.la.gov or (225)202-809. Observation of the suicide-prone offender will vary from continual observation to intervals no greater than fifteen (15) minutes. All staff with responsibility for offender supervision are trained annually in the implementation of the program. Such procedures also shall include the reporting requirements as outlined in BJG 1-C-001.	Compliant- Staff receive suicide prevention training annually. Any offender on a suicide watch is documented. The policy has been approved by the Mental Health Provider.	
Visual Inspection: health records, documentation of staff training, documentation of observation of suicide watches.		
IV-C-015 Offender Deaths (MANDATORY) Written policy, procedure, and practice specify and govern the actions to be taken in the event of an offender's death, which includes notification of the coroner of all offender deaths. All attempts to contact the coroner regarding any death shall be thoroughly documented. Such procedures shall also include the reporting requirements as outlined in BJG I-C-001. In addition, a written report of all offender deaths shall be submitted to DPS&C on Form AM-I-4-x (via email to _DOC-HQ_Cat_A_Notfications@la.gov or via fax to (225) 342 3349). Visual Inspection: notification, reporting requirements, report to DPS&C	Compliant- Any offender deaths will be reported. No offenders deaths for 2022.	
IV-C-016 Notification A visit with an immediate family member shall be granted when an offender is admitted to an intensive care unit (ICU) or trauma center due to a serious bodily injury or due to being a terminally ill offender for the duration of the offender's admission to the ICU or trauma center, unless the Warden or designee provides written notice within 6 hours of the offender's admission to the ICU or trauma center to any immediate family member seeking visitation why such visitation cannot be granted, pursuant to La. R.S. 15:833(A) and Department Regulation OP-C-9; If the offender's admission to the ICU or trauma center occurs between 8:00 p.m. and 4:00 a.m., the Warden or designee shall provide the required written notification within 24 hours of the time the serious bodily injury occurred. Pursuant to La. R.S. 15:833(A), the Warden or designee shall attempt to notify the offender's immediate family within 8 hours of the medical decision to transport the offender to the ICU or trauma center. Based on extenuating circumstances, the Warden or designee may extend the definition of an offender's immediate family member. Inspection Report

Report # CB-21-045878-1

Deficient/Cautionary Codes cited.

Daniel H. Waltis

R. S. 40: 1621

Whoever fails to comply with any order issued by the Fire Marshal or his authorized representative under any provision of Part III, Chapter 7, Title 40 of the Louisiana Revised Statutes of 1950, R.S. 40:1569 excepted, shall be fined not more than five hundred dollars or imprisoned, for more than six months or both. Each day's violation of an order constitutes a separate offense and may be punished as such at the discretion of court.

L.R.S. 40:1577 APPEAL FROM ORDER

When an order is made by one of the deputies or representatives of the Fire Marshal, the owner or occupant of the building or premises may, within three days, appeal to the Fire Marshal. The Fire Marshal shall, within five days, review the order and advise the owner or occupant of his decision thereon. The owner or occupant may, within five days after the making of affirming of any such order of the Fire Marshal, file an application with the Board of Review.

RULES FOR APPEALING TO THE FIRE MARSHAL BOARD OF REVIEW

- i. Any application to the Board of Review shall contain the following basic information set off in organized fashion with captions indicating that the paragraph in question contains the following basic information.
 - 1. The name of the applicant.
 - 2. A brief description of the facts.
 - 3. A copy of the order of the Fire Marshal which is being appealed.
 - 4. A reference to the section of the law or code being reviewed.
 - 5. A brief description of why the applicant feels the requirements of the Fire Marshal is not within the Fire Marshal's authority, or brief description of why the interpretation of the Fire Marshal is incorrect or what specific relief is required by the applicant.
 - A list of the individuals who will be appearing before the Board, and a brief description of the testimony or information they will be providing the Board.
 - A list of all the documents which will be introduced or provided to the Board along with a brief description of the documents, and if possible, a copy of said documents.
 - 8. A list of each exhibit except for documents, and a brief description of the exhibit.
- II. Whenever possible, a notice of the meeting, date and place, and the agenda will be recorded in the Louisiana Register, however, whenever that is not possible, a copy of the meeting notice including the date, time and place, and agenda of the meeting of the Board will be published in the official notices of the official state journal; furthermore, a press release containing the same information will be mailed to the official journals of the cities of Shreveport, Monroe, Lafayette, Lake Charles, Alexandria, New Orleans, and Baton Rouge and any city or town in which the meeting of the Board is to be held if it is not one of the aforementioned major cities; and the same information shall be mailed to each individual who has notified the Fire Marshal of his desire to receive a notice of such appeal.
- III. A copy of the determination of the Board as prepared by the Chairman will be mailed to each individual who requests a copy of that specific determination as well as to the applicant.
- IV. The time delays for filing an appeal shall be those specified in R.S.40:1577 and 40:1578 1 D.

NOTICE RS 40:31.38 (ACT 66)

RS 40:31.38 (ACT 66) authorizes the Louisiana Department of Health to charge a fee of \$150 to any permitted facility that fails to correct the necessary sanitary code violations to be in compliance at the time of its follow up inspection (1st re-inspection). Re-inspections are required when there are five or more uncorrected non-critical violations and/or one or more uncorrected critical violations remaining at the conclusion of an inspection. The fee is only charged if the necessary violations are not corrected before the 2nd re-inspection and other subsequent re-inspections. Facilities can avoid this fee if the violations noted on the routine inspection report are corrected by, or during, the follow up inspection. If a fee is assessed, the \$150 fee is payable within 30 days' notice, and failure to pay shall result in revocation of the permit.
