NOTICE RS 40:31.38 (ACT 66)

RS 40:31.38 (ACT 66) authorizes the Louisiana Department of Health to charge a fee of \$150 to any permitted facility that fails to correct the necessary sanitary code violations to be in compliance at the time of its follow up inspection (1st re-inspection). Re-inspections are required when there are five or more uncorrected non-critical violations and/or one or more uncorrected critical violations remaining at the conclusion of an inspection. The fee is only charged if the necessary violations are not corrected before the 2nd re-inspection and other subsequent re-inspections. Facilities can avoid this fee if the violations noted on the routine inspection report are corrected by, or during, the follow up inspection. If a fee is assessed, the \$150 fee is payable within 30 days' notice, and failure to pay shall result in revocation of the permit.
