**RE:** "Basic Jail Guidelines" Monitoring Report

Please see the attached monitoring report regarding the Basic Jail Guidelines (BJG) annual inspection that was conducted at Beauregard Parish Jail on July 28, 2023. The facility continues to provide a secure, safe, and stable environment for DOC offenders in their custody. However, BJJ Team Leader Lt. Col. Chad Firmin did note there was no tool inventory or accountability of tools at the Maintenance Shop. The Warden and maintenance staff were advised of the importance of tool control and proper procedures to correct discrepancies. DPS&C would like to encourage full compliance with BJJ II-D-001 "Key, Tool, and Utensil Control".

At this time DPS&C is granting wavier of the recertification process. Congratulations to you and your staff for this accomplishment and thank you for the hard work and dedication that are necessary to achieve this goal.
