MEMORANDUM

TO:

The Honorable Sammie Byrd

Heriff of Madison Parish

FROM:

James M. Le Blanc

Secretary

RE:

"Basic Jail Guidelines" Monitoring Report

Please see the attached monitoring report regarding the Basic Jail Guidelines (BJG) annual inspection that was conducted at Louisiana Transitional Center for Women on September 14, 2023.

During the inspection, LTCW was found to be 48 inmates over capacity. According to staff, rated capacity is over due to the facility housing other parish and pre-trial inmates from other facilities due to their lack of bed space. To elevate the overcapacity issue, LTCW has decided not to accept DOC inmates until they get their inmate population down.

Several inmates were interviewed. A few inmates claimed they were not getting enough food. The BJG Team Leader observed the lunchtime feeding process finding staff were using the correct serving size utensils approved by the dietitian.

LTCW continues to provide a secure, safe, and stable environment for DOC inmates. DPS&C would like to encourage full compliance with BJG I-C-006 "Rated Capacity". At this time DPS&C will continue with annual monitoring visits.

Thank you for your support of the BJG process.

We observed the feeding process for lunch and during the feeding process staff were using the correct utensils that were approved by the dietitian for the serving size of each inmate. Each inmate stated that they are aware of how to make sick and the process of how to file a grievance.

RECOMMENDATION:

Operational Capacity was over due to the facility housing other Parish and Pre-trials offenders from other facilities due to their lack of space.

Warden Stinson and his staff are committed to providing a safe, secure, and stable environment for the inmates in their custody. At this time, continued annual monitoring is recommended.
