Good afternoon,

I am following up one more time regarding an official certification from your facility stating that there have been no deaths since Jan 1, 2020, till date. Please let us know if you will certify that statement in an official letter. We need to plan our next course of action.

Respectfully,

Hello Mr. Bernstein

I wanted to follow up with you about our earlier correspondence. You noted that your facility had no death records, and I wanted to ask again if you could certify your response as the official response from your facility via certified mail. Could you let me know if this is feasible? We are happy to pay for any copying or postage fees your facility may incur. Thank you again for your time, patience, and understanding.

Mr. [REDACTED],

In response to your second inquiry, the Parish has not had a death in its Juvenile Detention Center. So, there are no records that would be responsive to your request.
